

The Forecast on Education and Training in the County of Skåne (UAPS)

Victor Tanaka

Sweden

VET-EDS is funded with support from the European Union's Erasmus+ Programme. All views expressed are those of the authors and not of the European Commission.

Background

- All post-secondary VET under single national authority (2009)
- Mission (national government) to establish "regional competence platforms" (2010)
- Seminal release of UAPS (2012)
- Forthcoming second release (2016)

Description

- Inter-county project
- Elaborate method
- Study options
- Comprehensive approach
 - Short, medium and long term
 - All study options at secondary and tertiary level
 - Extensive complementary analysis

The organization of UAPS

- 1. Interregional dialogue**
- 2. Internal dialogue**
- 3. Project group**
 - I. Demand-side calibrations** (external consultant)
 - II. Preliminary forecasts** (Statistics Sweden)
 - III. Regional dialogue** (regional public administrations)
- 4. Communication and dissemination**

Impact and good practice

- **Unprecedented** in Skåne and Sweden
- **Filled an important gap** in the LMI infrastructure of the region
- **“Competence platform”** has developed
 - **LMI dissemination** on the basis of UAPS
 - **Network** for LMI dissemination
 - **Learning-by doing** valuable side effect
- **Targeted national policy** triggered the necessary efforts
