### POTSDAM – 3 THINGS YOU MAY NOT KNOW ABOUT

1. **It's the capital of the State of Brandenburg:** Potsdam is the capital of Brandenburg. While it is not part of the city of Berlin, it's only 24 kilometres away, making it a popular day trip from the capital of Germany. It also has its own, older version of the Brandenburger Tor, although it is much smaller than its counterpart in Berlin.

2. **There's history on the waterways:** No visit to Potsdam would be complete without a trip along the city's waterways on a beautiful old steamboat. When you reach Glinicker Bridge, which connects Potsdam to Berlin, you'll be at the spot where East and West exchanged secret agents and spies.

3. **Fun fact:** Potsdam has the only ALDI supermarket with a yacht berth: Namely on the shore of the deep lake. Of course, you can also reach it by car or by foot. It is located on Berliner Strasse, directly opposite the Shell gas station.

See you in a few weeks,

Christa, Jenny, Anja & the EN RLMM Team
